Wharenui Swim Club Inc

Mini Polo at Wharenui Pool

Update 22/6/10

Dear parents, caregivers and mini polo players

Last Sunday's registration day was amazing, so many enthusiastic children turned up to try out this fun new sport and we were overwhelmed with the response.

Please tell your friends to come along too.

We wish to update you all on our plans for the subsequent Sunday sessions.

When Every Sunday 12midday to 2pm for 8-11 yr olds in main pool
Every Sunday 12.30- 1.30pm for the younger ones 6-7 yr olds in pool 2
(including Sunday's during school holidays)

Cost \$5.00 per child per session on a "pay as you go" basis, this will be paid at reception as you arrive.

Each session will involve skills lessons and games afterwards with water polo coach.

The children will be split into ability levels with an instructor each group – the more confident will be in the deeper end of the pool.

Further down the track into term 3 we would like to organize a tournament with another region.

We also envisage in the near future, providing more intensive coaching with a weekly training session for those wanting to progress into our under 14's water polo teams – this would be \$10 per session or players could join the **Wharenui Fury Water Polo Club** and pay subs.

We look forward to seeing you again this Sunday at Wharenui Pool.

Kind regards

Jan Hance Mini Polo
