Attention: Matthew Hutchins

Dear Matthew

On behalf of Swimming New Zealand, congratulations on your recent selection to the 2010 Trans Tasman competition in New Zealand. It is a tremendous achievement and honour to be chosen to represent your country.

The qualification standards were particularly tough and to have met these mean you truly are an international standard swimmer. We have significant planning in place to endeavour you have every opportunity to succeed to the best of your ability.

The board of Swimming New Zealand have also asked me to pass on their special congratulations for your achievement.

This achievement of selection however is not the end, but the beginning, and we hope will be the *start of something extraordinary*.

I look forward to following your progress and your success both individually and as a collective team.

Congratulations once again and wish you success in your events, from us all at SNZ.

Kind regards

Mike Byrne and the SNZ team
